Section 2. The act is amended by adding sections to read:

Section 7.1. Local Taxing Options.--(a) A local government
unit, excluding counties and county authorities, may, by
ordinance, impose, in addition to the statutory rate limits on
real estate taxes set forth in the municipal code of that local
government unit, a tax on real property not exceeding the
millage authorized by referendum under this subsection. In the
alternative, a local government unit, excluding counties and
county authorities, may by ordinance impose, in addition to the
earned income tax rate limit set forth in the act of December
31, 1965 (P.L.1257, No.511), known as "The Local Tax Enabling
Act," a tax on the earned income of the residents of that local
government unit not exceeding the rate authorized by referendum
under this subsection. Revenue from the levy shall be used to
retire the indebtedness incurred in purchasing interests in real
property or in making additional acquisitions of real property
for the purpose of securing an open space benefit or benefits
under the provisions of this act or the act of June 30, 1981
(P.L.128, No.43), known as the "Agricultural Area Security Law."
The local taxing option authorized by this subsection shall not
be exercised unless the governing body of the local government
unit shall by ordinance first provide for a referendum on the
question of the imposition at a specific rate of the additional
tax to be imposed and a majority of those voting on the
referendum question vote in favor of the imposition of the tax.
The ordinance of the governing board of the local government
unit providing for a referendum on the question shall be filed
with the county board of elections. The referendum shall be
governed by the provisions of the act of June 3, 1937 (P.L.1333,
No.320), known as the "Pennsylvania Election Code." The election
official shall cause the question to be submitted to the
electors of the local government unit at the next primary,
general or municipal election occurring not less than the
thirteenth Tuesday following the filing of the ordinance with
the county board of elections. At such election, the question
shall be submitted to the voters in the same manner as other
questions are submitted under the provisions of the
"Pennsylvania Election Code." The question to be placed upon the
ballot shall be framed in the following form:

Do you favor the imposition of a (describe tax in millage
or rate) by (local government unit) to be used to
(purpose)?

(b) The board of directors of a school district may, by
resolution, exempt the following real property from further
millage increases imposed on real property:

(1) those whose open space property interests have been
acquired by a local government unit under this act;

(2) real property which is subject to an easement acquired
under the act of June 30, 1981 (P.L.128, No.43), known as the
"Agricultural Area Security Law"; and

(3) real property whose TDR's have been transferred and
retired by a local government unit without their development
potential having occurred on other lands; provided that the
exemption from further millage increases for real property as
provided for in clause (1), (2) or (3) of this subsection shall
be authorized only for real property qualifying for such
exemption under the provisions of section 2(b)(1) of Article
VIII of the Constitution of Pennsylvania. If the board so
resolves, the millage freeze authorized herein shall apply to
all eligible real property, whether the real property met the
criteria of this subsection prior to or subsequent to the date
of the resolution imposing the millage freeze. For prior
acquisitions, the date on which the millage rate shall be frozen
is the date of the resolution. For subsequent acquisitions, the
date on which the millage rate shall be frozen is the date the
local government unit completes the acquisition. The school
district shall give prompt notice to the appropriate tax
collection agent of the exact amount of the millage, the date it
was frozen, and each parcel to which the freeze applies. The
exemptions granted under this act shall not be considered by the
State Tax Equalization Board in deriving the market value of
school district real property so as to reduce the subsidy to
that school district or to increase the subsidy to any other
school district.

Section 7.2. Procedures to be Followed in Connection with
Acquisition of Real Property or Open Space Property Interests.--

(a) A local government unit shall not acquire interests in real
property pursuant to this act unless that local government unit
has by ordinance or resolution established procedures for
reviewing open space property interests considered for
acquisition by the local government unit, for rating the
relative desirability of interests in particular parcels of real
estate, and for establishing the price the local government unit
will pay.

(b) When a local government unit acquires an interest in
real property as authorized under the provisions of this act, it
shall establish and maintain a repository of records of the
interests in real property which have been or are acquired by
the local government. The local government unit shall also
record each interest in real property acquired by the local
government unit in the office of the recorder of deeds for the
county in which the real property is located.

(c) A local government unit acquiring interests in real
property shall submit to the school district within which the
real property is located a copy of the deed reflecting the open
Section 7.3. Acquisition of Open Space Property Interests on an Installment Basis.--A local government unit may authorize the establishment of a program to purchase open space property interests on an installment or other deferred basis. The obligation of the local government unit to make payments on an installment or other deferred basis shall not be subject to the requirements of section 602(b) or (c) of the act of July 12, 1972 (P.L.781, No.185), known as the "Local Government Unit Debt Act." A landowner who enters into an installment agreement with a local government unit shall receive, in addition to the selling price, interest in an amount or at a rate set forth in the purchase agreement.

Section 3. Sections 8, 9 and 10 of the act are amended to read:

Section 8. Exercise of Eminent Domain.--(a) Use of the power of eminent domain to acquire interests in real property for the purposes of this act shall be exercised in accordance with the provisions of the Eminent Domain Code of the Commonwealth.

(b) Notwithstanding the provisions of subsection (a) or section 5(c), local government units other than counties or county authorities may not exercise the power of eminent domain in carrying out the provisions of this act.

Section 9. Assessment.--Any open space property interest acquired by the Commonwealth or a [county] local government unit under this act is held for public purposes, and shall be exempt from taxation. The assessment of private interests in land subject to open space property interests under this act shall
reflect any change in market value of the property which may
result from the acquisition of open space property interests by
the Commonwealth or a [county] local government unit.

Section 10. Termination or Disposition of Open Space
Property Interests.--(a) If the Commonwealth, through either
the Department of [Forests and Waters] Conservation and Natural
Resources or the Department of Agriculture with the approval of
the State Planning Board, or a county or county authority with
the approval of its County Planning Commission, determines that
it is essential for the orderly development of an area to
terminate or sell open space property interests acquired under
this act other than property held in fee simple, the
Commonwealth or the county or county authority shall offer to
transfer to the original property owner from whom said property
interests other than fee simple were acquired, or his estate if
the original property owner, or his estate, is the current
property owner, said property interests at a price which shall
be equal to the price paid by the Commonwealth or the county or
county authority to the original property owner for said
interests; and, if said offer is not accepted within ninety
days, the Commonwealth or the county or county authority shall
then sell the open space property interests at public sale in
the manner provided by law. In the case of the Commonwealth,
such transfer or sale may be made without specific authority of
the General Assembly, and shall be through the Department of
[Property and Supplies] General Services at public sale in the
manner provided by law.

(b) If the local government unit, excluding counties and
county authorities, with the approval of the planning commission
serving the municipality in which the real property is located,
determines that it is essential for the orderly development of an area to terminate or sell open space property interests acquired under this act other than property held in fee simple, the local government unit shall offer to transfer to the original property owner from whom said open space property interests other than fee simple were acquired, or his estate if the original property owner or his estate is the current property owner, said property interests at a price which shall be equal to the price paid by the local government unit to the original property owner for said interests. If the local government unit's offer is not accepted within ninety days, the local government unit shall then sell the open space property interests at public sale in the manner provided by law. Before any open space property interests are disposed of by a local government unit, the officials of the local government unit must first put the question to its electorate at the time and place of any general, municipal or primary election to determine if a majority of the voters participating in said election assent to the proposed disposition of the specific open space property interests.

Section 4. The act is amended by adding a section to read:

Section 10.1. Transfer Development Rights.--If a TDR is acquired under this act by a local government unit, it may be disposed of in any manner recommended by the planning commission and adopted by the governing body of that local government unit.

Section 5. Section 11 of the act is amended to read:

Section 11. Utility Rights of Way; Underground Gas Storage.--(a) The ownership by the Commonwealth or a [county] local government unit of an open space property interest shall not preclude the acquisition, by lease, purchase, or eminent
domain, and use of rights of way or underground gas storage
rights in such property by a public utility or other body
entitled to exercise the power of eminent domain, if in the
case of an acquisition by a body other than a public utility the
State Planning Board, or, in the case of ownership by a county,
the County Planning Commission, after notice to the Department
of Forests and Waters or the Department of Agriculture as the
case may be, after public hearing, shall approve such
acquisition, or in the case of acquisition by a public utility
if the Pennsylvania Public Utility Commission, after notice to
the Department of Forests and Waters, the Department of
Agriculture, or the county, as the case may be, and after public
hearing, shall find that such acquisition and use are necessary
or proper for the service, accommodation, convenience or safety
of the public.) In the case of an acquisition from the
Commonwealth by a body other than a public utility, such
acquisition shall occur only if the State Planning Board, after
public hearing with notice to the Department of Conservation and
Natural Resources or the Department of Agriculture, as the case
may be, shall approve such acquisition. In the case of an
acquisition from a local government unit by a body other than a
public utility, such acquisition shall occur only if the
governing body, after public hearing with notice to the public,
shall approve such acquisition. In the case of an acquisition
from the Commonwealth or a local government unit by a public
utility, such acquisition shall occur only if the Pennsylvania
Public Utility Commission, after public hearing with notice to
the Department of Conservation and Natural Resources, the
Department of Agriculture or the local government unit, as the
case may be, shall find that such acquisition and use are
necessary or proper for the service, accommodation, convenience or safety of the public.

(b) (1) Notice of public hearing given in accordance with subsection (a) shall include a statement of the purpose of the public hearing and the date, time and place of the public hearing.

(2) In the case of notice to the appropriate department or local government unit as specified in subsection (a), the notice shall be sent by United States First Class Mail at least twenty days prior to the hearing.

(3) In all cases where a public hearing is to be held in accordance with subsection (a), notice to the public shall be given by publication one time at least twenty days prior to the hearing, in a newspaper of general circulation in the area where the open space land is located and written notice shall be conspicuously posted at points deemed sufficient by the body conducting the public hearing to notify potentially interested citizens. The affected open space tract shall be posted at least ten days prior to the hearing.

Section 6. This act shall take effect immediately.
